

## UKIAH VALLEY GOLF COURSE

### WELCOME!

Welcome to Ukiah Valley Golf Course...  
Home of Slush by the Park

Located in Ukiah, California, the story began in 1931. With many years of strategic games of golf, generations of families and visitors have enjoyed and continue to enjoy the lush greens and well-kept course, events in the historical Todd Grove Events Room, a light and fun fare "Clubhouse Menu", and the most recent addition of the Italian ice and Gelato sweet store known as "Slush by the Park". Every aspect of this site has a wonderful history of all things community and family. From the designing of the course to the 100-year-old recipe of Italian ice that we serve.
