## **A Word From Our Professional**

I would like to thank all of our Men's Club members for the support and encouragement you have shown me and my staff. There are always challenges to meet and with the support of all of you we will continue our goal of making this Club a fun and inviting place to all to be involved. Our focus as your partner will be to continue with high expectations that all of you deserve. To establish working relationships with all of you and to make your golf course the best it can be. We will offer our members and guests the best public golf experience we can. Our mission can be clearly stated with this statement, "the best public golf experience in the north bay."

The Ukiah Valley Golf Course, the Ukiah Men's Club, the Ukiah Women's Club and all of you are responsible for the direction of the course. We plan on utilizing the talents we have in this community to help plan our future. It is with great pleasure to tell you that our future is in our hands. We can and will succeed in making your course the best and most affordable form of entertainment in the Ukiah Valley. So get on board and enjoy what I think is the best 18 hole course in the area. We won't improve if you don't support your course.

I would like to give thanks to the Ukiah Men's Golf Club Board for all their support. I enjoy working with the board and coming up with new ways to improve your experience. Alex Goeken and Mark Sparso took the lead in organizing improvements in all areas and went out of their way to support the CIP agreement with the City of Ukiah. I want to say "thank you" to the board for all their hard work this past year. The Board is wonderful to work with and is doing a great job for all of you. They work extremely hard so give them a "thank you" when you can. It well deserved.

We have seen the beginning of the Purple Pipe Project. There is still a bit more work to complete. The new back nine bridge will be installed this summer and additional work to the area next to 18 fairway will begin soon. We completed two tee projects on holes 9 and 11 and hoping to complete tee projects on hole 8 and 18 this coming year. Most importantly, new irrigation for hole #5 is in the planning stages and should be completed in the spring. Don't forget to sign up for our monthly newsletter. This is a great way for you to keep up with all the projects that are going on. In closing from me, Ben, Nicole, Pablo and all of us who share your passion for the game, thank you and have a wonderful new year.

Frank Johnson  
Your partner in golf!

# A Message From Our President

## UMGA

Welcome UMGC members. This last year we have had a lot happening, lots of improvements. Our Tee- boxes and improvements on 8 & 9. We would like to see you out there to enjoy what we have to offer. Thanks to our sponsors! Without their sponsorship none of this would be possible.

Their sponsorships are on the Tee-Box Signs. In appreciation of their sponsorship we should support them in business. Dinners/Social hour is held the 4th Thursday of the month at 6:00 pm cost is \$15.00 for a \$30.00 plate, raffle and door prizes you can't go wrong! We average 30-40 members. It is a great social time with great people. Please come and join us, especially new members. You will meet great members from our local community.

At our tournaments we have added extra money to entice you and give extra incentives. Welcome you to come out and join us. You will find out how much fun they really are! We do a Christmas Scramble with breakfast, door prizes, including \$500.00 for 1 team drawn at breakfast. It's the most fun tournament with lots of prizes and a putting contest. We average 90+ players, and can always use more. Come out and enjoy!

This last year has been great. Showing how we have accepted and came out of the pandemic. Enjoy life, get outside, see everything around you. What better place than the Golf Course, the scenery, wildlife and your outdoor time.

If at any time anyone has thoughts/suggestions good or bad you are welcome to talk to any board member.

To the board members I thank you! Without the board none of this would be possible.

P.S. As an old friend said, "It's better to be short of the Ukiah greens than long, that is where the trouble lies!"

Thank you,

Alex Goeken  
President
